

CONCLUSION TO CAREER EXPLORATION LESSONS:

Develop a brochure meant to market your chosen profession to prospective employees. Within the brochure, students should explain:

- Job description
- Working conditions
- What level of education is required
- Important job skills one needs
- Is there training required
- What about licensing and certification
- Annual salary for city, state, US (entry level and experienced level)
- Job openings for city, state, US
- Professional organizations/associations
